Projected Costs Associated with Program*

***Note: Costs are subject to change without notice. Textbooks costs are presented based on one option for a course and for new texts as opposed to used or rental. Additional fees may be incurred without prior notice as need arises.**

Total Projected Costs Associated with Program		
	Resident	**Non-Resident**
TOTAL PROJECTED COST	**$13,180.55**	**$36,980.55**

Total Projected Costs Associated with Program, Itemized		
	Resident	**Non-Resident**
Tuition *(Based upon tuition rates as of 7/01/2012 and subject to change. Kentucky Resident = $140 per credit hour; Contiguous = $280 per credit hour; Non-Resident = $490 per credit hour. Figure is based upon typical student progression of 67 credit hours and may vary based upon student's general education courses. Transitional coursework is not factored into program costs. CPR is listed as an additional fee.*	**$9,380**	**$32,830**
Textbooks *Based upon costs of new texts through SCC's Barnes & Noble Bookstore on 7/1/2012. Costs do not include sales tax, shipping or other fees that may be incurred if ordering elsewhere. Costs are subject to change and based upon new textbook prices. Textbooks may be viewed by course on the SCC website. Textbook requirements for general education courses vary by instructor or courses taken. See complete book listing below.*	**$3,359.15**	**$3,359.15**
Additional Items *Costs are estimated and may vary depending on source from which items purchased. See listing below.*	**$200.00**	**$200.00**
Additional Fees *Costs may vary for some items depending upon resources. See listing below.* *Students may or may not be required to have criminal background checks, drug screens and immunizations at their own expense specific to their assigned clinical rotation sites. Requirements vary from site to site. These costs are not included in projected costs.*	**$241.40**	**$591.40**
TOTAL PROJECTED COST	**$13,180.55**	**$36,980.55**
