		Clinton 228 (CST)
		Russell 130 (CST)

All students interested in applying to the fall program must attend a pre-admissions conference and apply to the program before May 1, 2012. Students who attend the conference will receive information and a packet which includes an application. Please bring a pen and paper. Faculty, advisors, and students who would like to learn more about the program are welcome to attend. For more information contact Program Coordinator teammy.watters@kctcs.edu or Clinical Coordinator doug.massey@kctcs.edu

To be eligible all applicants must complete eight (8) of the nine (9) prerequisites with a "C" or better and we may give preference to students who have all prerequisites completed. Also, we consider spring grades. Classes with an * must be completed before admission.

BIO 137 Human Anatomy & Physiology I * AHS 115 or CLA 131 or OST 103 * BIO 139 Human Anatomy & Physiology II * MAT 110 or MAT 150 * BIO 118 *or BIO 225 *or BIO 227 *
