

How to find my Unmet Need

- ➤ Log on to your self-service account in PeopleSoft using the same ID and password that you use for your student email.
- > Scroll down and click the "View Financial Aid" link under the Finances section.
- Click on the current aid year (2013).
- ➤ When the Award Summary page opens, click on "View Award Notification."
- > Your unmet need amount is found on the second page.
- ➤ If it is at least \$1000, you may apply for the FWS program if you meet all other FWS requirements.
